Summer is here! Congratulations to you all on a spectacular recital back in May before school let out.

Are you ready for more fun during practice time?? Each student is picking and practicing one of their favorite Disney songs for the summer—to be played at our Disney Party in August (date TBD).

There is no over-all requirement for practice days each week. Instead, for each day that you practice, you will get a Disney “Ticket” to collect in order to trade in later for a prize. You will get a separate sheet of paper with the prizes and how many tickets you need

to get each specific prize. So it is up to you how many days you practice each week, and how many prizes you will be able to get. I hope you can get the grand prize!!

P.S. I know that some of you may be away on vacation or have to miss more lessons than others. Feel free to come talk to me about it and see what you can do for bonus tickets! ;)

### Characters Concert

Don't worry—you are going to have the chance to play your Disney song for your friends. At the end of the summer in August, we will have a “Characters Concert”...where you play your song for everyone, and the order of the program is a puzzle—can you

guess the recital song to the correct Disney character? (You might get a better score on your program than your parents do!)

More details will be given to you as it gets closer!
